## MRCP ALUMNI ASSOCIATION

The college has an alumni association whose aim is to provide a vibrant, global network which connects and engages all MRCP alumni with the current students. The college has constituted a committee comprising of college staff along with few old students with a view to ensure prompt action and efficient organization. All the students are requested to register in the alumni association of the college for a life membership by paying a nominal fee of Rs.50/- after completion of their study. Along with the fee, they need to submit their bio-data (which can be updated from time to time) to the coordinator. The association will conduct periodic alumni meets by giving prior information to the alumni through mails and phone calls. The association has an account (A/c no. 253110100025839) in Andhra Bank, Phoolbaugh branch, Vizianagaram. Remittances may be made into that account after intimating the coordinator.

With the purpose of helping the financially backward students in the college, contributions from alumni members have been received. The students are benefited greatly from the generous contributions of alumni.

Maharajah's College of Pharmacy networks through its alumni spread across different regions for the overall development and achievement of the objectives of the college. The association mainly works to help the members connect with one another and provide career opportunities.
